

Dear Copper Ridge Homeowner:

In light of security concerns raised by the Department of Homeland Security and recent legislation to alert communities when children are missing (AMBER ALERT), our Homeowners Association and Sterling Management, our property management company have taken a proactive approach and have developed a system to alert you in the event of EMERGENCIES such as MISSING CHILDREN, SEVERE WEATHER, CRIME/TERROR ALERTS etc. as well as NON-EMERGENCIES such as board meetings, community events etc. We require your assistance to launch the service:

NAME _____

ADDRESS _____

1. Resident Alert™ calls. Please update your phone number.

PHONE # of the LAND LINE in your home:

(_____) _____ - _____

2. Community Website. To further enhance communication within our community, we have commissioned a website that will allow you to check your account balance view our community calendar, board minutes and news; communicate with the Board; update your resident data sheet; and download documents and forms. Since this is a community ONLY website, we need to assign you a secure LOGIN. Please provide:

Email Address: _____ @ _____

(this will be your username)

4 Digit PIN: _____

PRIVACY This information will only be used by your Property Manager and Board of Directors. It will not be used or shared with anyone outside our Community for any sales or marketing. It is STRICTLY for your benefit. Please return this form to us as soon as possible.

I authorize my Homeowners Association and Sterling Management to alert the phone number listed above for urgent and timely alerts. I also submit my PIN to act as a digital signature from the website to view my account balances and authorize guests or workers to enter my property at my discretion.
